SCHEDULED DISCUSSION:
Administrator William Wolf gave a PowerPoint presentation on Senior Citizens Centers and Jail Intake Update and discussed the following:

- Senior Centers:
  - The annual financial audits of the seven Senior Centers for the fiscal year ending September 30, 2019 have been completed.
  - Only one Senior Center Board has not been briefed, but when that’s done, Lynda Elie, Rendel Elie & Associates PLC will be present to provide her report. This is tentatively scheduled for two weeks from today (Feb 20th) at this workshop.
  - All of the Senior Centers have been notified of this and know that, if interested, they are welcome to attend.
  - The purpose for this morning is to briefly re-acquaint the Board with some of the data and considerations regarding our Senior Centers in order to:
    1. Prepare the Board for the auditor’s report in two weeks; and
    2. Give the Board some background well in advance of a more focused discussion in April about the ballot proposal to renew the Senior Center Millage; and
    3. Provide staff guidance on how to answer a question about the service area boundaries; and, finally,
    4. Prepare the Board for two questions:
       - “Why do all the centers get exactly the same amount of funding?”
       - “Shouldn’t the Center with the largest population to serve, get the most money?”
