    - All administrative functions currently provided by TMI via contract will be absorbed by existing County staff.
    - Berrien County contracts with the City of Buchanan to operate the Buchanan Dial-A-Ride program.
    - The goal of this model would be to maintain service in the short-term while reducing expenses and preserving Berrien Bus fund balance.
    - We would start with a “skeleton crew” of operations staff and bring on additional staff as needed as demand for services picks back up.
  - Berrien Bus/Buchanan Staffing Levels (Current):
    - Full-time Transportation & Planning Coordinator (County).
    - Full-Time Operations Manager (TMI).
    - FTE Assistant Manager (TMI).
    - (2) FTE Dispatchers (TMI).

- (1) PT Vehicle Washer (TMI).

  o Option Two:
    ▪ Close down Berrien Bus program effective June 30th, 2020 and liquidate all Berrien Bus assets.
    ▪ County staff is projecting that the Berrien Bus program can operate without the need for local funding through FY 2022 at a minimum under Option #1.
  
  o Berrien Bus Program Long-term Options:
    ▪ Re-bid Berrien Bus/Buchanan operations contract and seek another contracted service provider for FY 2021 and beyond.
    ▪ Consolidation of services with other transit providers in the County including Niles Dial-A-Ride, TCATA and Buchanan Dial-A-Ride.
    ▪ Continue with Berrien County Pilot Program as planned (albeit delayed) minus TMI (staff recommendation).

- Staff Request:
  o County staff is seeking approval from the BOC to move ahead with putting together an operations plan under Option #1 that will be reviewed by the BOC on June 4th.
  o Community Development staff will continue to work with Financial Services, Personnel Services, MDOT, TMI staff and the City of Buchanan to provide the BOC with a detailed operations/transition plan that can be implemented beginning July 1st, 2020.
