#### **TITLE VI CONTRACT REQUIREMENTS:**

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

- 1. <u>Compliance with Regulations:</u> The contractor shall comply with the Regulations relative to non-discrimination in Federally-assisted programs of the Department of Transportation, Title 49, code of Federal Regulations, Part 21 as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- 2. <u>Non-discrimination:</u> The contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the contractor covers a program set forth in Appendix B of the Regulations.
- 3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the contactor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to non-discrimination on the grounds of race, color, or national origin.
- 4. <u>Information and Reports:</u> The contractor shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the **BERRIEN COUNTY ROAD DEPARTMENT** to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the State highway department, or the Federal

#### **TITLE VI**

Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.

- 5. <u>Sanctions for Non-compliance:</u> In the event of the contractor's non-compliance with the non-discrimination provisions of this contract, the **BERRIEN COUNTY ROAD DEPARTMENT** shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
- (a) Withholding of payments to the contractor under the contract until the contractor complies, and/or
- (b) Cancellation, termination or suspension of the contract, in whole or in part.
- 6. <u>Incorporation of Provisions:</u> The contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The contractor shall take such action with respect to any subcontract or procurement as the **BERRIEN COUNTY ROAD DEPARTMENT** may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the **BERRIEN COUNTY ROAD DEPARTMENT** to enter into such litigation to protect the interests of the State and/or the United States to enter into such litigation to protect the interests of the States.

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

#### **Pertinent Non-Discrimination Authorities:**

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.

#### PROJECT SPECIFICATIONS

#### 1. Description.

- It is the intent of the Berrien County Road Department to contract for 2021 Spring Roadside Weed/Brush Spraying and Road Crack Weed Spraying, as needed.
- ii. The Bidder must be specifically trained and licensed through the Michigan Department of Agriculture, and be experienced in this work (5 years Minimum) spraying roadsides with herbicides in county or state levels manned with operators with at least 3 years' experience.
- iii. The Contractor shall personally supervise the work or shall have a competent person at the site at all times to act for him. Bidders MUST be willing to address and respond to, in a timely manner, any citizen complaints regarding the program. A daily spray log must be turned in when the job is completed.
- iv. Contractor, while spraying, shall at all times exercise extreme care to prevent damage to residential plantings, vegetable or flower gardens or to any susceptible farm crops or other desirable plants adjacent to roadsides. Contractor shall have the right to shut off spray at any time he may feel the application of such spray may cause damage.
- v. Berrien County Road Department to be held harmless against any and all claims arising from operations covered above.

#### 2. Requirements.

- i. Contractor will supply all equipment, labor and materials.
- ii. All weed/brush spraying will be as follows:
  - 1. A 48" wide band centered under the guardrail.
  - 2. A 12" wide band centered on the crack between the hot asphalt pavement and concrete curb and gutter.
- iii. Contractors are notified to investigate and become familiar with conditions relating to the work to be performed. Failure on the part of the contractor to investigate or inspect the required work will not be grounds for additional compensation under this contract.

#### 3. Method of Treatment.

i. All specified roadside shall be treated with one application at the proper time to insure maximum control. Spray will be applied so as to completely cover the vegetation.

#### 4. Materials to be used.

i. 6 oz Esplanade, 12 oz Method, 1 qt Roundup, 1 pt Habitat, 8 oz Improve (surfactant), 8 oz drift control, All mixed & applied in 100 gals water per acre

#### 5. Rate of Applications.

i. One application of spray solution consisting of 6 oz Esplanade, 12 oz Method, 1 qt Roundup, 1 pt Habitat, 8 oz Improve (surfactant), 8 oz drift control, All mixed & applied in 100 gals water per acre. Contractor shall furnish a current label and MSDS for these products.

#### 6. Time of Application.

- i. The application shall start in early/active stage of weed growth, usually late April/early May or as approved by the Berrien County Road Department. A minimum of 10 days' notice shall be given to the Berrien County Road Department in advance of beginning operations. Some flexibility for weather delays are understood, however, it is necessary to complete the spraying as efficiently and quickly as possible. The Contractor and its employees shall be available to meet with the Berrien County Road Department in advance of the actual work in order to discuss the products and procedures to insure the safe and proper application for the program. A map of the areas to receive spray will be available for review at that meeting.
- ii. Require season-long bare ground throughout 90% of the treated area, or contractor must retreat at contractor's own expense, until defined level of control is achieved and maintained for the remainder of season.

#### 7. Equipment.

i. Contractor shall furnish, operate, and maintain suitable and adequate equipment necessary to perform above operations in an approved and workmanlike manner without hindrance or delay. Recommended equipment shall consist of: truck mounted spray unit with a liquid capacity of not less than 250 gallons. Each spray unit shall be powered by a pump of sufficient size to assure a consistent spray pattern while maintaining CONTINUOUS GOOD MECHANICAL OR HYDRAULIC BYPASS AGITATION under full application conditions throughout. Pressure regulation shall be flexible enough to permit easy adjustment to insure coverage at minimum risk. Berrien County Road Department reserves the right to inspect the contractor's equipment prior to beginning of the project.
