TEMPORARY 4-WAY STOP AT HOLLYWOOD ROAD AND LINCO ROAD

TOWNSHIP: Royalton Township, Baroda Township, Oronoko Township

LOCATION: Hollywood Road and Linco Road Intersection

CLOSEST CITIES: Stevensville, Baroda

START DATE: Friday, July 16, 2021

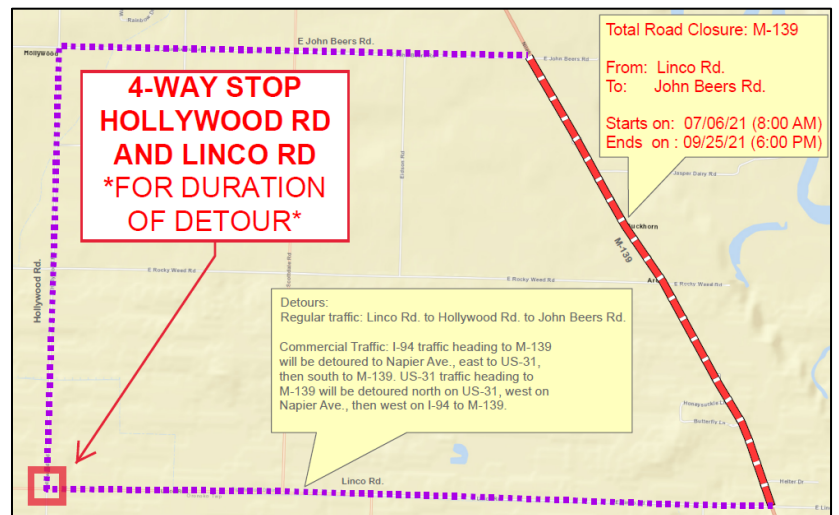

ESTIMATED END DATE: The intersection of Hollywood Road and Linco Road will act as a 4-way stop until M-139 has reopened to thru traffic. Estimated project completion is 9/25/2021.*

*Contractor, work and weather dependent

PROJECT: Traffic closure on M-139 between Linco Road and John Beers Road to facilitate a culvert replacement and other road improvement by MDOT has resulted in a traffic detour. For further details regarding this construction related to the Buckhorn Creek Culvert visit <https://content.govdelivery.com/accounts/MIDOT/bulletins/2e55226>.

Detour route for all regular traffic to avoid the M-139 closure is Linco Road to Hollywood Road to John Beers Road. As a result during this detour, starting on 7/16/2021, traffic will be expected to treat the Hollywood Road and Linco Road intersection as a four-way or all-way stop.

TRAFFIC RESTRICTIONS: The Hollywood Road and Linco Road intersection will act as a four-way or all-way stop during the duration of the M-139 detour.

Later this year, when M-139 has reopened to thru traffic and detour removed, the Hollywood Road and Linco Road intersection will return to being a 2-way stop.
