## PROGRESS CLAUSE

Page 1 of 1

BCRD/KAS

11/27/2021

The Owner anticipates that construction can begin no earlier than thirty (30) days after receiving notice of award of contract, or on the date agreed upon with the Engineer.

In no case shall any work be commenced prior to receipt of formal notice of award by the Department.

All project(s) shall be completed in their entirety including final site restoration and clean-up in a timely matter. Bid prices are to remain valid through **December 31<sup>st</sup>, 2022.**

If required, after award and prior to the start of work, the Contractor must attend a preconstruction meeting with the Engineer. The Engineer will determine the day, time and place for the preconstruction meeting. The meeting will be conducted after project award and may be rescheduled if there are delays in the award of the project.

The named subcontractor(s) for Designated and/or Specialty Items, as shown in the Proposal, should attend the preconstruction meeting if such items materially affect the work schedule.

## GENERAL SPECIFICATIONS

Except as hereinafter provided by Supplemental Specifications or Special Provisions, the method and manner of performing the work and the quantity and quality of materials to be furnished under this contract shall be in strict accordance with the current Standard Specifications for construction of the Michigan Department of Transportation and the current edition of the Michigan Manual of Uniform Traffic Control Devices.

## SUPPLEMENTAL SPECIFICATIONS

### 101.02 **Definitions:**

Commission – The Board of County Commissioners of the County of Berrien, Michigan.

### 103.02 **Changes in Work**

Adjustable Items – This Contract contains no adjustable item; therefore, no adjustments in unit prices for increased or decreased quantities will be allowed.

107.10 **Owners Protective Liability Policy** covering bodily injury and property damage protection shall be furnished to the Commission.

108.02 **Prosecution of the Work** – The Contractor shall begin the work within thirty (30) days after being notified by the Department to do so, unless this is inconsistent with the progress clause, with full force and equipment adequate to complete the sections within the time limit therein fixed for completion. In case of failure to proceed with the work as rapidly as is provided in the progress clause, or if it appears any time that such work is not being prosecuted in such a manner as to insure its completion within time specified, the Department shall have the right to require the force and equipment as the Department shall deem necessary to bring the work up to the Progress Schedule; and in case of the Contractor's neglect to do so, the Department may place such working force and equipment on the work and charge the Contractor the cost of labor and such rental and depreciation rates for the plant and equipment as in its judgment is reasonable, and for such time as the plant and equipment are in service.

109.06 **Partial Payment** – PAYMENT WILL BE MADE IN FULL IN NOT MORE THAN THREE (3) PARTIAL PAYMENTS, SUCH PAYMENTS TO BE MADE on the basis of ninety percent (90%) of the value of the work done, provided the work is progressing satisfactorily and the orders of the engineer have been complied with and provided that the date for completion, or date granted as extension, has not passed, and provided that the amount is at least \$2,000.00.

## SUPPLEMENTAL SPECIFICATIONS (CONT'D)

### 1. CANCELLATION OF CONTRACT PROVISIONS

The Board shall have the right to cancel the Contract for non-performance. Should an inspection by the Board's designated representative reveal that the Contractor's work results in any non-acceptable maintenance condition of one or all specified areas;

The Board's designated representative at the time of the first circumstance shall call for a meeting with the Contractor to insure no misunderstanding on the issues involved.

If the condition should repeat itself a second time, the Board's designated representative shall call for another meeting with the Contractor and issue a written warning of possible Contract termination should the condition continue.

If the condition should repeat itself for a third time, the Board's designated representative shall call for another meeting with the Contractor and issue a written Notice of Contract Termination.

2. Submission of bid will be construed as a conclusive presumption that the Contractor is thoroughly familiar with the bid requirements and specifications and that he/she understands agrees to abide by each and all stipulations and requirements contained therein.
3. The Contractor, his/her employees, agent, and representatives shall conduct themselves in a manner which is conducive to good public relations. They shall display proper respect to the Board, the general public, and surrounding property owners as is applicable.
4. Neither the Contractor nor his/her Subcontractors shall discriminate against any employee or applicant for employment, to be employed in the performance of this Contract, with respect his/her hire, tenure, terms, conditions or privileges of employment, of any matter directly or indirectly related to employment because of his/her race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

## TITLE VI

The Berrien County Road Department, in accordance with Title VI of Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of gender, disability, race, color, or national origin in consideration for an award.

## TITLE VI CONTRACT REQUIREMENTS:

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor shall comply with the Regulations relative to non-discrimination in Federally-assisted programs of the Department of Transportation, Title 49, code of Federal Regulations, Part 21 as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
2. **Non-discrimination:** The contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the contractor covers a program set forth in Appendix B of the Regulations.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the **BERRIEN COUNTY ROAD DEPARTMENT** to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the State highway department, or the Federal

## TITLE VI

Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.

5. **Sanctions for Non-compliance:** In the event of the contractor's non-compliance with the non-discrimination provisions of this contract, the **BERRIEN COUNTY ROAD DEPARTMENT** shall
6. impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
  - (a) Withholding of payments to the contractor under the contract until the contractor complies, and/or
  - (b) Cancellation, termination or suspension of the contract, in whole or in part.
7. **Incorporation of Provisions:** The contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The contractor shall take such action with respect to any subcontract or procurement as the **BERRIEN COUNTY ROAD DEPARTMENT** may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the **BERRIEN COUNTY ROAD DEPARTMENT** to enter into such litigation to protect the interests of the County, and, in addition, the contractor may request the State highway department to enter into such litigation to protect the interests of the State and/or the United States to enter into such litigation to protect the interests of the United States.

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

### **Pertinent Non-Discrimination Authorities:**

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. §4601 ), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex);

## REMOVING TREE AND STUMPS

Section 202 Description – This work shall consist of removing trees or removing stumps where indicated by the Superintendent, and shall include cutting such trees, removing stumps and roots from the ground or chipping the stumps and properly disposing of the material.

Section 202.03 Construction Methods – the trees, stumps and roots and debris shall be removed and disposed of as follows:

Where removal of a stump may result in damage to existing utilities, the stump shall be removed by chipping to a depth of at least one foot below the finished ground surface. Other stumps may be removed by chipping where approved by the Superintendent.

When the stump or stumps are removed by the chipping method, the wood chips from the chipping are to be removed and disposed of properly and the area where the stump has been removed is to be filled with topsoil. Grass seed to be placed over the topsoil area.

Where feasible, the trees shall be felled toward the center of the area to be cleared, where trees cannot be felled without danger to traffic or injury to other trees, structures or property, they shall be cut down in sections.

Any trees or shrubs that are damaged by the Contractor's operations shall be repaired or replaced by the Contractor, as directed by the Superintendent.

Salvaging Timber – Trees having a diameter of 6" inches or more, are classified as merchantable timber. The Contractor will not be required to salvage any timber having a least diameter of less than 6" inches not to cut timber in lengths less than 8 feet.

- a. On Right of Way Easements – When requested in writing by the abutting property owner all merchantable timber shall be cut and piled outside of the right of way for use of the abutting property owner. Where an abutting property owner has not signed such a request, the salvaged timber will become the property of the Contractor and shall be disposed of at his expense. Timber from 4 to 12 inches in diameter may be left in full tree lengths or cut into commercial lengths, at the option of the Contractor. Timber 12 inches or more in diameter shall be cut into commercial lengths and piled separately from other timber.

# BERRIEN COUNTY ROAD DEPARTMENT

Disposing of Unsalvaged Material – All stumps, roots, logs, brush, limbs, tops, and other debris resulting from the clearing and grubbing shall be disposed of by one of the following methods:

1. By reducing the material to chips by processing through a brush chopping machine.
2. By disposing of the material in an area approved by the Superintendent.

When a brush chopping machine is used, the chips shall be disposed of outside of the roadway or stored for use as mulching material, in a manner approved by the Superintendent. When approved by the Superintendent in writing, chips may be disposed by burying within the right of way.

When material is disposed of outside of the right of way, the disposal area shall be approved by the Superintendent and the Contractor shall obtain and file with the Berrien County Road Department written permission from the owner of the property upon which the material is to be placed.

Method of Measurement – The size of trees will be determined by the average diameter of the tree trunk, measured to the nearest full inch, at a point 4-1/2 feet above the base of the tree at ground line. Trees having no major limbs lower than 4-1/2 feet from the ground shall be measured at the smallest diameter below such limbs.

Stumps which are shown on the plans as trees, and stumps shown on the plans or authorized to be removed will be measured as the average diameter of the top of the stump. Measurement will be to the nearest full inch.

Where more than one tree has grown from a common stump, each tree or stump will be measured as a separate tree or stump.

Basis of Payment – The completed work as measure red for REMOVING TREE AND STUMPS will be paid for at the contract unit price for the following contract items (pay items);

## **SPECIAL PROVISION FOR MAINTAINING TRAFFIC**

**PAGE 1 OF 2**

### **GENERAL REQUIREMENTS**

Traffic shall be maintained by the Contractor throughout the project in accordance with the requirements of Section 104.11, 812 and 922 of the 2012 MDOT Standard Specifications for Construction and as herein specified. The Contractor is advised that the 2011 Edition, as amended, of the Michigan Manual of Uniform Traffic Control Devices is hereby established as governing all work in connection with traffic control devices, barricade lighting, etc., required on this project. The Contractor shall coordinate this work with other contractors performing work within the construction influence area or adjoining areas to avoid conflicts in the maintenance of traffic, construction signing and the orderly progress of work.

### **PROJECT – GENERAL**

Necessary emergency work performed by the County due to the negligence of the Contractor will be billed against the Contractor.

Walks, driveways and entrances to building shall not be unnecessarily blocked. Vehicular access shall be maintained to all properties designated by the Engineer at all times. Construction shall be completed in such a manner as to maintain the required entrance width for traffic at all times. When partial widths of new pavement are available to traffic, access to drives shall be provided immediately.

# **BERRIEN COUNTY ROAD DEPARTMENT**

## **SPECIAL PROVISION FOR MAINTAINING TRAFFIC**

**PAGE 2 OF 2**

### **TRAFFIC RESTRICTIONS**

Night work will not be allowed, unless deemed by the Department as an emergency.

Work will not be allowed on holiday weekends, including Labor Day and the 4<sup>th</sup> of July, as directed by the engineer, unless deemed by the Department as an emergency. Saturday work other than holiday weekends will be allowed.

Two-way traffic shall be maintained for the duration of the project. Lane Closures shall comply with MDOT Maintaining Traffic Typical M0140a.

### **TRAFFIC CONTROL DEVICES**

All traffic control devices and their usage shall be in accordance with provisions in the 2011 Edition, as amended, of the Michigan Manual of Uniform Traffic Control Devices (MMUTCD), as amended. All construction signs, unless otherwise noted, shall be 4'x 4', mounted at a bottom height of 5 feet and placed as indicated on the plans. When signs are no longer applicable, they shall be removed or have their legend completely covered with plywood or approved equal, if the posts are driven. Signs can no longer be mounted on Type III Barricades. Signs near Type III Barricades shall have separate supports.

Reflectorized strips are required on both sides when barricades are facing traffic in both directions.

Channelizing devices shall be used to separate traffic from the work and if directed by the Engineer or shown on the plan sheets to separate opposing traffic lanes.

Plastic cones may be used as channelizing devices only during day light hours. If plastic cones are used, they shall be a minimum of 28 inches in height and placed as directed by the Engineer. Metal drums or metal barrels shall not be used as traffic control devices.

All traffic control devices shall meet Traffic Special Detail WZD-125-E.

# **BERRIEN COUNTY ROAD DEPARTMENT**

## **PROJECT SPECIFICATIONS FOR SPECIAL PROVISIONS**

### **GENERAL**

The “2012 Standard Specifications for Construction” (Standard Specifications) of the Michigan Department of Transportation, are hereby incorporated into these contract documents. Copies of these standards are available for inspection at the office of the Engineer. All construction included in this project shall be done in accordance with the Standard Specifications, as modified by these project specifications and special provisions, or as modified by plan notes. Where notes on the plans are in conflict with the standard specifications or there special provisions, the plan notes shall control.

### **CONTRACT REQUIREMENTS AND COVENANTS**

Where the contract requirements in these Contract Documents conflict with the contract requirements specified in Division 1 of the standard specifications, the contract requirements in these contract documents shall control.

### **SPECIAL PROVISIONS**

The special provisions, which follow, shall modify the standard specifications for the item indicated.

**SWORN AND NOTARIZED AFFIDAVIT OF COMPLIANCE  
IRAN ECONOMIC SANCTIONS ACT  
Michigan Public Act No. 517 of 2012**

All bidders must submit the following certification statement in compliance with Public Act No.517 of 2012 (the “Iran Economic Sanctions Act”) and attach this form to the bid; bidders may file a certification statement with the County of Berrien that confirms compliance for all bids submitted in fiscal year 2022. By submitting this form to the County of Berrien, you are confirming that you are in compliance with the Act in relation to the submitted bid(s). **The County of Berrien shall not accept a bid unless, and until, this sworn and notarized certification statement is submitted to the County of Berrien either as an attachment to a given bid, or, as filed with the County of Berrien to confirm compliance during fiscal year 2022.** A certification statement filed with the County of Berrien for fiscal year 2022 will only be effective for bids submitted and dated from 1/1/22 to 12/31/22. The completed form will be kept on file in the purchasing department. The undersigned, the owner or authorized officer of

\_\_\_\_\_ (the “Bidder”), pursuant to the compliance certification requirement provided in the County of Berrien Request for Proposal, hereby certifies, represents and warrants that the Bidder (including its officers, directors and employees) is not an “Iran linked business” within the meaning of the Iran Economic Sanctions Act, and that in the event the Bidder is awarded a contract as a result of the aforementioned Request for Proposal, the Bidder will not become an “Iran linked business” at any time during the course of performing the work or any services under the contract. The Bidder further acknowledges that any person who is found to have submitted a false certification is responsible for a civil penalty of not more than \$250,000.00 or 2 times the amount of the contract or proposed contract for which the false certification is made, whichever is greater, the cost of the County of Berrien’s investigation, and reasonable attorney fees, in addition to the fine. Moreover, any person who submitted a false certification shall be ineligible to bid on a request for proposal for three (3) years from the date it is determined that the person has submitted the false certification.
